OPERATIONS JOURNAL

18 to 19th Mar 1944

2430 - Plane shot down watch for crew. Plane fell in water. Redwood

0300 - 2nd and 3rd Bns - Quiet 1st Bn - attack; probably platoon.

0515 - Communications restored to Red. Strong enemy patrol penetrated wire between Able and Charlie and cut behind the woods. Push was on left side. Platoon was withdrawn to former position across base of neck. 12 men reported missing.
Mortar fire on eny machine gun position opposite A & C boundary line and on woods. Arty fire on reported Co. position N side of Moletta. Reconn patrols ordered to dispatch each side of woods occupied by Lt. Barili's platoon. Stronger patrol will be sent to reoccupy original positions. 1st Bn moved reserve plat of B to reinforce A. Reserve Plat (C) is being moved in N of paved road to occupy former position.

0700 - 7 men found only 5 missing.

0850 - Around 2400 5 man eny patrol observed by Charlie moving towards Able. Charlie opened up with MG & threw grenades. No further sight of patrol. Apparently eny found way thru wire in front of Able and back of platoon in woods. Radio jammed out. Attacked platoon from rear; platoon fell back. 12 were reported missing 7 returned 5 still missing. Ranger Red (Lt Gustafson)

1010 - Patrol (G Co.) left CP at 2000 moved toward gap at 768307 reached there between 2030 & 2045. Patrol heard enemy voices & tapping on rifle butts as if signalling. Eny were in canal between foot bridge and in front of gap. Enemy threw rifle grenades (offensive) - fire returned and grenades thrown at eny. Eny countered with MG and machine pistols. Patrol withdrew to Patterson's platoon, which opened up with MG & rifles. Word got back to Bn CP of fracas at 2115. Ranger Blue (Capt Lombard). G-ops notified situ on our front.

1100 - Co. A back in position. Dead eny in area; known 1 Off & 13 EM (806312).

1615 - Advised - Red, White and Blue re: bonus for capture of prisoners. Also instructed Red & Blue to display ground indicators at first light tomorrow.

1900 - Tanks on right (7930) can't fire into houses so following schedule will be followed: 1. Tank from dunes will fire on houses firing first on one group from 40 to 50 then from 50 to 00. Capt Maitland 46RTR. (Contd)
