Mr. John F. Chandler  
 Rural Free Delivery #1  
 Detroit, Texas

Dear Mr. Chandler:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

*H. Feldman*

Dear Mr. Patman:

I have your communication of 18 June 1945, requesting information in behalf of Mr. John F. Chandler, Route #1, Detroit, Texas, relative to his son, the late Technician Fifth Grade George N. Chandler.

I understand how very much it means to Mr. Chandler to be furnished additional particulars regarding the death of his brave son. The records show that on 17 March 1945, Technician Chandler was operating a crane on the Ludendorf Bridge in Remagen, Germany. The bridge collapsed without warning and when his whereabouts could not be ascertained he was reported missing as of that date. In a further message based on a burial report received by his organization, Technician Chandler was reported to have died on 17 March 1945. However, a still later report has been submitted which discloses that his death was the result of enemy action. You have my assurance that in the event additional information concerning Technician Chandler's death is forthcoming, his family will be notified without delay.

The wish of Mr. Chandler to be advised in connection with the burial of his son's remains is fully appreciated. The Quartermaster General, this city, is concerned with all matters pertaining to the burial of the remains of our military personnel who die overseas and he has been asked to make further direct reply to you.

Your interest in behalf of Mr. Chandler is most considerate and he has my deep sympathy in the loss of his beloved son.

Sincerely yours,

Dear Mr. Chandler:

The Army Effects Bureau has received from overseas some personal effects of your son, Technician Fifth Grade George N. Chandler.
